“LEGIN is a powerful voice of reconciliation for our generation.  
**RELEVANT. CLEAR. AUTHENTIC.**” Danny M.

**LEGIN** is a hip hop artist, speaker, and church leader. His name, “LEGIN,” is Nigel spelled backwards saying that Christ turned his life around. Inspired by the opportunity to forgive his absent father before he died, Legin reaches out to fatherless crowds and regularly encourages his audience to forgive as he did.

As an artist, Legin has released several projects such as Rooftop Prophet (2022) and In This Moment (2020), as well as a regular flow of singles such as “In Awe” (2021) and “Stop” (2022), to his growing fanbase. He has a message of positivity and hope and counter the opposite messages we typically get from the industry. In 2023, Legin has several singles and EPs planned incorporating unique live elements with his band.

Legin has also launched several initiatives and movements. He helped found The Safe House Project (2018), an organization that works to unite communities across America to end domestic sex trafficking, while empowering survivors with hope, freedom and a future. Inspired by a trip to South Africa where he served vulnerable children, he came back and made the collaborative album “Safe House by R.M.M.” (2016) to raise funds to build a “safe house” to protect the children in that community. Safe House Project now also raises awareness and provides services to protect trafficking victims all across the U.S.

Legin and his Pastor, Kevin Tremper, also formed the Hampton Roads City Collective (2016) to start dialogues and relationships about racial justice in the faith community and beyond. In 2020, after the death of George Floyd, HRCC held a peaceful march in Norfolk, VA where over 5,000 people and 100+ churches and organizations attended. Legin also released the In This Moment EP (2020), a personal and passionate musical response to racial injustice, political divisiveness, and disunity in the country.

After starting counseling before the pandemic in 2020 to address wounds left by his father's absence, Legin launched the four-part virtual concert series GOOD ENUF (2021) with new music such as “Feelin’ Blessed,” “Streets of Gold,” and “Sometimes” to inspire people to trust God (Rom. 5:8) and get therapy, using his 501(c)3 to offer mental health resources and funds to his viewers. The GOOD ENUF concert series can be streamed at [www.legin.tv](http://www.legin.tv).

While performing at concerts, conferences, and events, Legin regularly speaks at schools, churches and prisons to bring his message of hope and forgiveness to a broader culture.

Legin has shared the stage with Lecrae and opened for artists like KB, Social Club Misfits, Aaron Cole, Tedashii, Canon, Da’ T.R.U.T.H., Flame, and more. He has produced and promoted tours throughout the United States and United Kingdom, and has performed in Kenya and South Africa. Legin lives in Virginia Beach, VA with his wife and children.

“If my story can help someone understand **RECONCILIATION & FORGIVENESS**, then I’ll tell it in my music and on stage every chance I get.”
